COMMODITY CLIENT SHARE:

Shows the individual client's share of Port of Brisbane Corporation's (PBC's) trade over a two year period broken down by commodity.

COMMODITY REPORT:

Shows PBC's trade information of specific commodities on a comparative year-to-date basis, broken down by country.

COUNTRY REPORT:

Shows information on PBC's trade with individual countries on a comparative year-to-date basis, broken down by commodity and with a separate breakdown by major ports.

PACK TYPE REPORT:

Shows PBC's trade information on pack (container/bulk) type on a comparative year-to-date basis, broken down by commodity and region/country.

CUSTOMISED REPORTS:

A report designed by PBC specifically for the individual client based on their reporting and analysis needs.
