

ECONOMIC CONTRIBUTION OF PORT OF BRISBANE

In FY22, the Port of Brisbane and its supply chain helped power the Queensland economy.

\$7.8 billion
total economic contribution

supported over
62,900 jobs

\$2.7 million value added and
21 jobs supported per ship call

7,900 jobs supported
within the port precinct

The Port of Brisbane's contribution to Queensland's economy grows over time.
