

Opening Hours

24 hours, 7 days a week

Weigh Types

1. Gross weight
2. Net weight (difference between two weights)
3. Axle weight

Low Loaders

Please note there are some restrictions on weighing low loaders.

The Weighbridge will be able to weigh semi-trailer low loaders, without a dolly.

The maximum ground contact width is 3 metres, and the maximum load width is 4.5 metres.

Cost

\$36.00 (incl GST) per weight.

Payment Methods

Customers can pay with pre-paid codes at the payment machine installed at the Weighbridge.

Pre-paid codes can be bought in advance at the MSIC office within the Brisbane Multimodal Terminal (BMT) or by phoning 07 3258 4878 between the hours of 0900 and 1500 Monday to Thursday. Customers can buy single or multiple codes.

Pre-paid codes are tracked from the time they are purchased until they are redeemed at the Weighbridge.

For more information, please speak to a PBPL representative on 07 3258 4860 or go to www.portbris.com.au/Trade&Logistics/weighbridge
