

Congratulations to our 2020 Community Grant recipients

At Port of Brisbane, we're continuing to look for ways to help Queenslanders, now and beyond the immediate impacts of COVID-19.

Since 2011, we've invested \$2.5 million in community sponsorships and initiatives across SEQ.

Our support will assist **Volunteer Marine Rescue Brisbane** to provide marine search and rescue services to the boating public.

Port of Brisbane is assisting **Point Lookout Surf Life Saving Club** to move closer to achieving its vision of zero preventable drownings in Queensland waters.

Grant funding will provide a Braille Learning Centre for students at **Wynnum State School**, improving educational outcomes for people with visual impairments.

We are proud to support **Foodbank Queensland** – Australia's largest food relief organisation – to help fight hunger in South-east Queensland.

Our support will help **Rural Aid** deliver its mental wellbeing program to primary producers and their families affected by natural disasters or COVID-19 in Queensland.

Our support will assist **Coast Guard Brisbane** to provide marine search and rescue services to the boating public.

We're proud to be helping **Volunteer Marine Rescue Brisbane** to provide marine search and rescue services to the boating public.

We're proud to support **Community Sports Coaching and Mentoring** who provide educational and employment services to young Aboriginal and Torres Strait Islander people.

Brisbane Bayside State College
INDEPENDENT PUBLIC SCHOOL

The funds for **Brisbane Bayside State College** will provide access to 3D printing technology across science, technology, engineering and maths disciplines.

We are proud to support **Traction** to deliver programs and workshops for vulnerable young people and their families.

We are proud to support the **StandbyU Foundation** to purchase wearable devices, allowing at-risk individuals to discreetly trigger an alert to their chosen support network.

The funds received by **Suited to Success** will provide access to employment resources to help overcome barriers to employment.

CORALWATCH

Grant funding will help **Coral Watch** enable its marine ambassadors to contribute to Moreton Bay's coral reef health and sustainability.

Our support will help **Ocean Crusaders** to remove debris from Luggage and Juno Points using their specialised equipment.
